

## Valentine Paper Airplane

1. Print the PDF file to plain paper and cut out the airplane template along the blue dotted line.

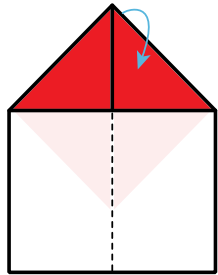

2. Handwrite a sentiment along the red dotted lines and address on the wing.

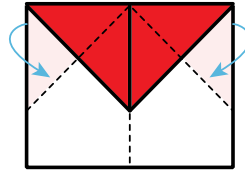

3. Crease paper in half lengthwise. Lay blank side up.

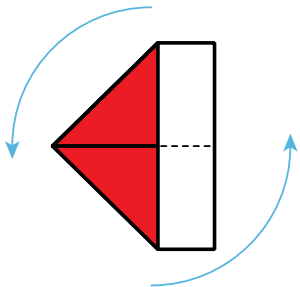

4. Fold down upper corners to meet at the middle crease.

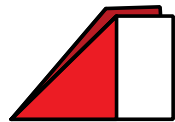

5. Fold top section down.

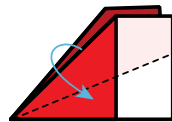

6. Fold down upper corners to meet at the middle crease.

7. Rotate paper sideways. Flip paper over.

8. Fold entire piece at the center crease.

9. Fold upper flaps down so that angled edge meets the bottom edge.

10. Lift top flaps slightly, grasp lower flaps at the center and set in flight.
